LINPAC

Founded in 1959, today the LINPAC Group is a 2.2 billion dollar, privately owned, global business providing innovative packaging solutions across a wide range of markets including: food producers, packers, retailers, caterers, fast food chains, automotive parts, environmental products, RFID identification and materials handling.

LINPAC is the largest manufacturer of PVC food-grade stretch film in the world. Our global aim is to achieve the highest standards in performance:

- ensuring total customer satisfaction
- promoting product quality excellence
- anticipating future needs

We lead the market in plastic and film technology innovations

focused on source reduction and reuse while enhancing film performance, improving product machinability and delivering more attractive packaging for our customers and their markets.

All our operating sites are committed to conserving resources, reducing energy consumption, minimizing emissions to air, water and soil while complying with all relevant environmental legislation, exceeding those standards where possible.

Food Service Essentials

Wrap it up with Filmco all-purpose food service film in cutterbox dispensers. Precise edge profiles and smooth roll release speed operation. Exceptional cling and seal keep your packages protected. Durable, easy-to-use dispenser box has non-skid pads and sturdy cutter bar for quick clean cuts each and every time.

DP-5280 films are replacement rolls for standard one mile long (5280') wrap film dispensers. DP-5280 film unrolls and tears smoothly without snags.

All dispenser films are available in 12, 18 and 24 inch widths.
